

HP Engage One Retail System

With security, durability, and flexibility built into its gorgeous design, the HP Engage One meets the demands of your business and marks a new era in retail and hospitality.

Sleek. Modern. Adaptable.

Build the ideal checkout, interactive signage, or self-service solution for your retail or hospitality environment with the streamlined, versatile HP Engage One and its accessory ecosystem, all available in a choice of colors.¹

Durable. Powerful. Built for the day ahead.

Power through your peaks with 7th generation Intel® processors and a durable system that has a 5-year manufacturing lifecycle and up to a 3-year standard limited warranty.² Get additional peace of mind with optional HP Care Pack services including on-site support.³

Secure data. Protect customers.

Today's business calls for next-level security. The HP Engage One answers with a self-healing PC BIOS and firmware that shields the BIOS against attacks to help keep your data, devices, and customers safe and secure.

Retail-ready durability.

Entrust a device that's not only beautiful, but retail-hardened. The HP Engage One is designed to pass tough MIL-STD-810G testing with a sturdy, anodized aluminum chassis that resists spills by channeling liquids away from the screen.⁴

Bring the digital and physical worlds together.

Drive your business and deliver engaging, adaptable content and applications across devices and displays with the seamlessness of Windows 10 Pro or Windows 10 IoT.⁵

Alluring and easy to use.

Engage customers and enable associates with a modern, polished 14" diagonal, Full HD touchscreen display. The intuitive and responsive HP Engage One delivers fast interaction and has an anti-glare coating to minimize light interference.

Optimize your space in style.

Set a new bar for sophistication with components and accessories that complement the aesthetics of the HP Engage One—available in black or white.¹

	<p>Model options HP Engage One Model 141 HP Engage One Model 143 HP Engage One Model 145</p>	<p>Select the base model that fits your performance needs, Model 141 with 7th generation Intel® Celeron®, Model 143 with 7th generation Intel® Core™ i3, and Model 145 with 7th generation Intel® Core™ i5 processors. 	<p>HP Engage One Column Printer</p>	<p>Maximize counter space and impress your customers without compromising on functionality by opting for a receipt printer integrated into the column of the HP Engage One.</p>
	<p>HP Engage One 2D Barcode Scanner</p>	<p>Deliver an efficient customer experience with a slim and sleek barcode scanner that enables scanning of mobile wallets and digital coupons as well as printed 1D and 2D barcodes.</p>
	<p>HP Engage One Magnetic Stripe Reader</p>	<p>Accept gift cards, employee ID cards or loyalty gift cards with the HP Engage One Magnetic Stripe Reader that cleanly integrates into the Engage One head unit to create a sleek and functional solution.¹</p>
	<p>HP Engage One Fingerprint Reader</p>	<p>Enable secure, accurate employee log-in protocols and help reduce opportunities for unauthorized access. The HP Engage One Biometric Fingerprint Reader can be configured next to the base or as a standalone device.</p>

HP Engage One Retail System usage scenarios

Build the ideal solution for your business—whether it’s traditional point of sale, interactive signage, or self-service.

Traditional point of sale

Transform the point of sale experience

- Efficient transactions
- Loyalty card registration
- Customer order review and approval

Self-service

Provide ultimate convenience

- Customer check-in and check-out
- Product information and inventory
- Self check-out

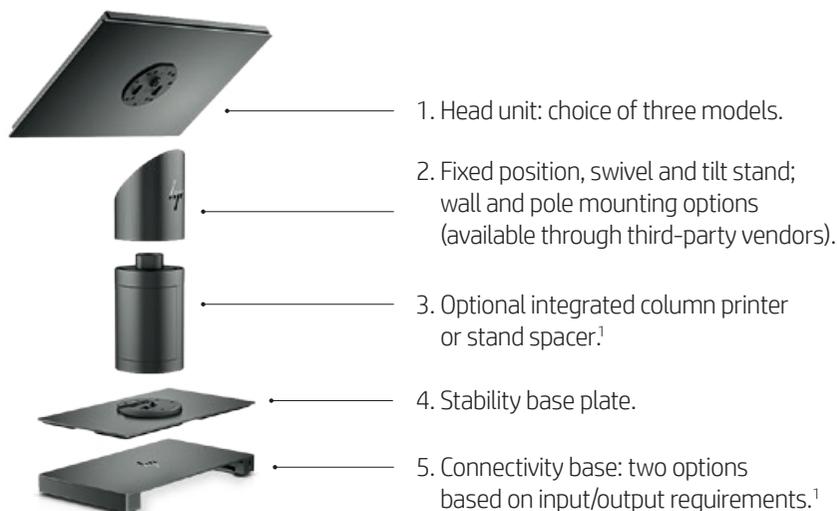

Interactive signage

Deliver an interactive in-store experience

- Digital signage
- Store maps and way-finding
- Digital concierge

Component breakdown top-to-bottom

1. Optional features sold separately or as add-on features.
 2. 1- or 3-year limited warranty, depending on country.
 3. HP Care Services are optional. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP product.
 4. MIL-STD-801G testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
 5. Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software, or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
